

Caddo District PTA **Life Service Award**

The Caddo District Honorary Life Service Award is the highest honor that can be bestowed at the district level to a deserving person. It is a fitting way to recognize someone for their contributions to children and youth.

This Honorary Life Service Award comes with a special significance as an enduring symbol of outstanding service. You may want to make the presentation of this award as part of your Founders Day activities. However any time would be appropriate. Whenever you choose, you'll want to have a special presentation befitting this high honor.

For the price of \$30.00, the person designated will receive a certificate in a presentation folder naming them as a recipient. They will receive a Life Service Award Pin, in the shape of the Caddo District PTA emblem. When ordering please list the name of all recipients so that their name may be placed on the website for years to come.

This Honorary District Life Service Award shall carry neither the right to vote nor to hold office, nor does it constitute membership in a local unit. Only a local PTA or Caddo District PTA may present Honorary Caddo District Life Service Awards. All proceeds will be used for the Scholarship Fund.
